VERO BEACH FLORIDA

Setting the new Gold Standard for *great senior lifestyles*

Minutes from the Atlantic Ocean, nestled in a beautiful stretch of land just west of the scenic Indian River, Regency Park is convenient to countless opportunities for pleasure or enrichment—Miracle Mile shopping, beach village, and the Riverside Park and Arts district.

Enjoy peace of mind knowing that you're living in an independent senior lifestyle community that is one of the closest of its kind to hospitals and other medical services and facilities in Vero Beach.

In addition to gracious living in a private sanctuary highlighted by 13 acres rich with wildlife habitat, you'll enjoy maintenance-free living that allows you to plan your days around your own interests and needs. At the spacious clubhouse, the social hub of

the community, you can choose from among

five themed dining rooms for every mood, from casual to elegant, or work out in the state-of-the-art fitness center or swimming pool. Concierge services, including planned outings to cultural and recreational events and educational opportunities, assure you a rich, carefree lifestyle.
