

Living up to a higher standard

standard

Part of achieving the Gold Standard in senior living required Regency Park to embrace and bring about innovative changes to the standard amenities provided in a senior lifestyle community. Regency Park will support your continued involvement in the mainstream by providing pre-wired cable, telephone and internet to every villa and apartment home. It will also provide you with a direct connection to the Regency Park Community Network, an intranet service which provides access to community news and calendars, clubhouse services, the resident directory, information about community clubs and organizations and a 24-hour digital line for reporting safety concerns.

Raising the bar

At Regency Park, we don't just claim we are the new Gold Standard in senior living, we live by it. Everything we do, from the countless number of available housing options to the state-of-the-art amenities featured, is to exceed your expectations and raise the level of senior living in Vero Beach.

The lifestyle gem of Florida's Treasure Coast

Exceeding expectations

As Vero Beach's most luxurious senior lifestyle community, Regency Park will feature exclusive villa homes and tastefully-appointed apartments. In keeping with our pledge of Raising the Bar, Regency Park will offer a choice of nine different apartment floor plans, ranging from one to two bedrooms plus den. And for your convenience, all our apartment buildings will have climate-controlled walkways leading to the community's clubhouse. Regency Park will also offer three villa floor plans, with your choice of two bedrooms or two bedrooms plus den. Every villa home will include a two-car garage. All of these options are offered to ensure complete comfort in your new home.

Enhancing a way of life

Enhancing

At the center of it all, Regency Park's spacious clubhouse will be the social gathering point of the community. You will enjoy five themed dining rooms, from casual to elegant, a state-of-the-art fitness center, swimming pool, beauty/barber salon, auditorium, lounge, activities area, library, theatre and outdoor gardens.

Additionally, Regency Park is conveniently located to many of the main attractions of Vero Beach and is one of the closest retirement communities to the hospital, beach village and Riverside Park and Arts district. Regency Park allows you to choose and pursue the activities that will most enhance your lifestyle.

Establishing balance

balance

Harmony with nature is a defining characteristic at Regency Park. A full 13 of the 40-acre neighborhood will be protected wetlands, home to the area's native birds and wildlife. Canopied by hundreds of Vero Beach's famous live oak trees, Regency Park will offer you and your family and friends the opportunity to observe the quiet, natural wildlife among the established landscape of the community.

Defining the gold standard

Our pledge is to raise the bar of senior living in Vero Beach and create a community where you can experience a new standard of living. Regency Park is the lifestyle gem of Florida's Treasure Coast and the new Gold Standard in Senior Living. We invite you to come and experience Regency Park for yourself.
